Annual Campaign Goal**

TRANSFORMING LIVES

Strengthening Communities

We believe meeting basic needs is critical to helping all people reach their full potential. With unwavering determination, the YMCA of Central Ohio is committed to providing access to opportunities for all through critical programs that transform lives. These vital programs and services extend beyond our community centers to help guide those who need it most, meeting the needs of our most marginalized neighbors. In an ever-changing and uncertain funding landscape, unrestricted donations are more important than ever. These flexible funds allow us to fill the gaps, sustain essential programs and continue providing financial assistance to families who need it most. Your support of Social Responsibility programs today helps ensure stable resources for individuals and families tomorrow.
